

The background is a stylized illustration of a red building with arched windows. The sky is blue with white stars and a large yellow moon. The building has a large archway on the left and a smaller one on the right. Inside the large archway, there is a round table with a white floral tablecloth and a chair. Two potted plants are on a small ledge in front of the smaller archway. The overall style is reminiscent of a classic album cover.

Night of Colored Stars

The Old Romantic Classics

Sung by Robin Campbell

Tracks: 3, 4, 5, 6, 7, 9, 10 - William Rich on keyboards (*Thanks so much!*)

*Tracks: 1, 3, 7 - Hand-made classical guitars by Robert Shannon Campbell at RSCguitars@hotmail.com

All guitar accompaniments arranged and played by Ted Arbogast. Recorded, mixed, and mastered by the fabulous Ted Arbogast at "Studio Butte", Terlingua, TX.

Cover photo by Robin Campbell taken at Eve's Garden, Marathon, TX. Cover design by Kip Piper at kip@mtcia.com.

A heartfelt thanks to the musicians of the original TimeChange Trio: Jim Senneff, Jay Davis, and Marilyn Dieckert, with whom I sang these great songs 2006-2007.
